Other Options:

For continuing coverage, other options include:

Discuss medical coverage with your **personal insurance broker**.

Contact the **Health Care Exchanges** under the new Federal Health Care reform law at healthcare.gov. Purchase of coverage through the Exchange may entitle you to a subsidized (reduced) monthly premium.

Contact **Blue Cross Blue Shield of Illinois** directly (for Illinois residents) to obtain information on their options available at the Health Care Exchanges (bcbsil.com or 1.866.514.8044). Blue Cross is one of two insurers offering coverage on the Illinois Exchange. The UFCW Midwest Fund does not endorse either insurer.
