## *International Labor Day*

**May 1, 2015 Noon - 1:30**

## **Haymarket Memorial**

**Corner of DesPlaines & Randolph**

May Day is known by workers around the world as International Labor Day, to commemorate the martyrs of Haymarket. **On this May Day we come together to show our solidarity in celebration and protest. Let's stop fast track, let's stop Right to Work and let the voices of workers be heard!**

Join the Chicago Federation of Labor, Chicago Jobs with Justice, and the Illinois Labor History Society in welcoming delegates from the Swedish and German labor movements as we join together in international solidarity.
